IMMIGRATION DEPARTMENT NOTICE NO. 79/2026

Re-organisation of the Control Branch

This is to announce for general information the re-organisation of the Control Branch with effect from 15 June 2026.

2. Currently, the Control Branch is consisted of four divisions, namely the Airport Division, the Boundary (Rail) Division, the Boundary (Vehicles) Division and the Harbour Division, and supported by a sub-division, namely the Control Sub-division.

3. Upon re-organisation, the Control Branch will consist of four divisions, namely the Airport Division, the Boundary Division, the Lok Ma Chau Division and the Cross-Boundary Bridge Division, and the sections under their command will be rearranged and the details of which are elaborated in the following paragraphs. Meanwhile, the structure of the Control Sub-division will remain unchanged.

Airport Division

4. The Airport Division [機場管制科] will continue to be headed by the Senior Principal Immigration Officer (Airport), short-titled SPIO(A) [高級首席入境事務主任(機場管制)], who will be responsible to AD(C). The structure of the Airport Division will generally remain unchanged except renaming of existing sections under the Airport Sub-division, including renaming the Advance Passenger Information Section [API Section] as the Airport (Advance Passenger Information) Section [A(API) Section], and renaming the Tactical Agency [TA] as the Airport (Special Duty) Section [A(SD) Section].

Boundary Division

5. The existing Boundary (Rail) Division will be retitled as Boundary Division [邊境管制科], short-titled BD Division, headed by the Senior Principal Immigration Officer (Boundary), short-titled SPIO(BD) [高級首席入境事務主任(邊境管制)], who will be responsible to AD(C).

6. The sub-division under the new BD Division will be separated into two sub-divisions, namely the Boundary Sub-division 1 [邊境管制分科(一)], short-titled BD Sub-division 1 and the Boundary Sub-division 2 [邊境管制分科(二)], short-titled BD Sub-division 2.

7. The BD Sub-division 1 will be headed by the Assistant Principal Immigration Officer (Boundary) 1, short-titled APIO(BD)1 [助理首席入境事務主任(邊境管制)一], and will comprise the Lo Wu (Operations Support) Section, Lo Wu (Operations) Section, Heung Yuen Wai (Operations Support) Section, Heung Yuen Wai (Operations) Section, Man Kam To Section and Sha Tau Kok Section.

8. The BD Sub-division 2 will be headed by the Assistant Principal Immigration Officer (Boundary) 2, short-titled APIO(BD)2 [助理首席入境事務主任(邊境管制)二], and will comprise the Express Rail Link West Kowloon (Operations Support) Section, Express Rail Link West Kowloon (Operations) Section, China Ferry Terminal Section and Kai Tak Cruise Terminal Section.

Lok Ma Chau Division

9. The existing Boundary (Vehicles) Division will be retitled as the Lok Ma Chau Division [落馬洲管制科], short-titled LMC Division, headed by the Principal Immigration Officer (Lok Ma Chau) [首席入境事務主任(落馬洲管制)], short-titled PIO(LMC), who will be responsible to AD(C).

10. The new LMC Division will consist of one sub-division, namely the Lok Ma Chau Sub-division [落馬洲管制分科], short-titled LMC Sub-division, headed by the Assistant Principal Immigration Officer (Lok Ma Chau) [助理首席入境事務主任(落馬洲管制)], short-titled APIO(LMC), and will comprise the Lok Ma Chau (Operations Support) Section, Lok Ma Chau (Operations) Section,

Lok Ma Chau Spur Line (Operations Support) Section and Lok Ma Chau Spur Line (Operations) Section.

Cross-Boundary Bridge Division

11. The existing Harbour Division will be retitled as the Cross-Boundary Bridge Division [跨境大橋管制科], short-titled CBB Division, headed by the Principal Immigration Officer (Cross-Boundary Bridge) [首席入境事務主任(跨境大橋管制)], short-titled PIO(CBB), who will be responsible to AD(C).

12. Under the new CBB Division, there are two sub-divisions, namely the Shenzhen Bay Sub-division [深圳灣管制分科], short-titled SBC Sub-division, and the Hong Kong-Zhuhai-Macao Bridge Sub-division [港珠澳大橋管制分科], short-titled HZMB Sub-division.

13. The SBC Sub-division will be headed by the Assistant Principal Immigration Officer (Shenzhen Bay) [助理首席入境事務主任(深圳灣管制)], short-titled APIO(SBC), and will comprise the Shenzhen Bay (Operations Support) Section, Shenzhen Bay (Operations) Section and River Trade Terminal Section.

14. The HZMB Sub-division will be headed by the Assistant Principal Immigration Officer (Hong Kong-Zhuhai-Macao Bridge) [助理首席入境事務主任(港珠澳大橋管制)], short-titled APIO(HZMB), and will comprise the Hong Kong-Zhuhai-Macao Bridge (Operations Support) Section, Hong Kong-Zhuhai-Macao Bridge (Operations) Section, Macao Terminal Section and Harbour Control Section.

Formation of Control Special Duty Sub-division

15. In addition, a new sub-division, namely the Control Special Duty Sub-division [管制特別職務分科], short-titled CSD Sub-division, with its subsidiary section, namely the Control Special Duty Section [管制特別職務組], short-titled CSD Section, will be formed under the Control Branch alongside the existing Control Sub-division, to support the planning and monitoring of projects related to the establishment of new control points, including the new Huanggang Port, the Sha Tau Kok Control Point, and etc.

16. The new sub-division will be headed by the Assistant Principal Immigration Officer (Control) Special Duty, short-titled APIO(C)SD [助理首席入境事務主任(管制)特別職務], who will be responsible to AD(C). The new section will be headed by Chief Immigration Officer (Control) Special Duty [總入境事務主任(管制)特別職務], short-titled CIO(C)SD, who will be responsible to APIO(C)SD. Both APIO(C)SD and CIO(C)SD will be redeployed temporarily from existing posts under the Airport Three-Runway System Sub-division, viz. APIO(A)3RS and CIO(A)3RS/O.

17. The revised organisation chart of the Control Branch is at Annex.
