Dear Sir/Madam,

Common Recruitment Examination (CRE) and / or Basic Law Test (BLT)
Result Notification

This is to inform you of your result(s) in the "CRE and BLT" held on 12 June 2010 as follows-

Paper	Result [Note]
Use of English	Level 2
Use of Chinese	Fail
Aptitude Test	Fail
Basic Law Test	73

Please retain this letter as a proof of your attainment in the CRE and / or BLT. The results of the CRE and BLT are of permanent validity.

They do not carry any implication that a candidate has fully met the entry requirements of these posts. For the purpose of applying for civil service posts at degree or professional level, valid results obtained in different CRE sittings can be taken together.

The BLT results would not affect a candidate's eligibility for a recruitment interview but will form part of the overall assessment on the candidate's suitability for appointment. The BLT results will only be counted subject to the production of the original notification letter when attending the recruitment interview.

The latest information about the CRE and BLT is available at the Civil Service Bureau homepage (www.csb.gov.hk).

Yours faithfully,

(Timmy Poon)
for Secretary for the Civil Service

TRANSCRIPT NOTATIONS

AR	-	Academic Renewal denotes those courses no longer counted in QPA; effective Fall Semester 1998 for those degree students academically dismissed for at least five years and then readmitted.
CE	-	Credit by Examination
CR	-	Course Repeat (An asterisk [*] denotes earlier enrollments of a repeated course.)
HR	-	Honors
NA	-	Not applicable (Not included in QPA and credits earned)
RI	-	Removal of Incomplete

QUALITY POINT AVERAGE (QPA) - The QPA is calculated from the record of courses taken at BU with the grades of A, B, C, D and E. The computation is made by multiplying the number of semester hours for each course by the number of quality points for the grade for the course and adding all products. Then, divide the sum obtained in the first step by the total number of semester hours represented by the courses. Unless otherwise stated, the student is in good academic standing.

AREA OF STUDY - The student's program of study (major) is indicated before the first course entry of each semester. The area of study will appear at the heading of the transcript when the degree is awarded. When there is a second area of study, the second area will appear in the semester heading only. College abbreviations used in the Area of Study are:

A/S	Arts & Sciences
BUS	Business
P/S	Professional Studies
L/A	Liberal Arts
N/D	Non-Degree
PTE	Pre Teacher Education
S/T	Science & Technology
GRD	Graduate

Designation of minors and career concentrations completed appear in the lower right of the transcript.

DEGREES - A minimum of 120 undergraduate credits are required for the Bachelor's degree; 30 graduate credits minimum are required for the Master's degree. The term "Degree Granted" after the last course entry of the semester is listed when the degree is granted. Also, the name of the degree, date awarded and area of study appears in the heading of the transcript. When a second degree is awarded, the name of the degree and date awarded appear after the last course entry of the semester when the degree is granted. Should an undergraduate student meet the requirements for a second area of study, but under a separate degree, that notation appears in the lower right of the transcript.
